

Red Stiletto Rewards (RSR)

Welcome to Empire Industries Red Stiletto Reward program (RSR), the ONLY reward program in the women's poker market and the ONLY reward program that offers you discounts from our partners and points that are matched dollar for dollar. As a company started by women and more importantly moms, we know how hard it is to stretch your dollar, even harder when you are spending that dollar on recreational activities for yourself; you want to get the most out of your experience. The RSR program understands that by rewarding you twice; once by receiving special discounted pricing from our participating partners and the second with points for all your purchases we can extend your Empire Experience. Whether you are playing an HHPT event, buying a PMS Poker Wear T-shirt or purchasing a pair of Blue Shark Optics sunglasses you earn reward points.
